SHELBURNE MUSEUM & VERMONT TEDDY BEAR FACTORY

SHELBURNE MUSEUM The Shelburne Museum is one of the nation's finest, most diverse, and unconventional museums of art and Americana. Over 150,000 works are exhibited in a remarkable setting of 39 exhibition buildings, 25 of which are historic and were relocated to the Museum grounds. Impressionist paintings, folk art, quilts and textiles, decorative arts, furniture, American paintings, and a dazzling array of 17th-to 20th-century artifacts are on view. Shelburne is home to the finest museum collections of 19th-century American folk art, quilts, 19th and 20th-century decoys, and carriages.

High points for TCA members include the Ticonderoga (a 19th century side-wheeler steam boat), a Central Vermont 10 wheeler steam locomotive, and a Wagner Palace passenger car. There is an outstanding collection of railroad lanterns and a preserved Rutland RR station.

In the Museum's toy shop, you will see a wonderful collection of toys from the 18th, 19th and early 20th centuries. The toy shop also holds an American Flyer exhibit to operate and view! (A. C. Gilbert was a hunting buddy of Electra Havemeyer Webb, the Museum's founder!) A guided tour of the museum and lunch at the museum included.
